Favourite Parts

❖ Design process, considering previous designs, how to incorporate elements from previous builds and come up with a new design

❖ Looking at other portfolio sites

❖ Decided on Elegance as theme

❖ Researching & learning new skills

❖ Developing the Projects

❖ Developing the Contacts

❖ That moment when something come together and worked

❖

Test & Reviews

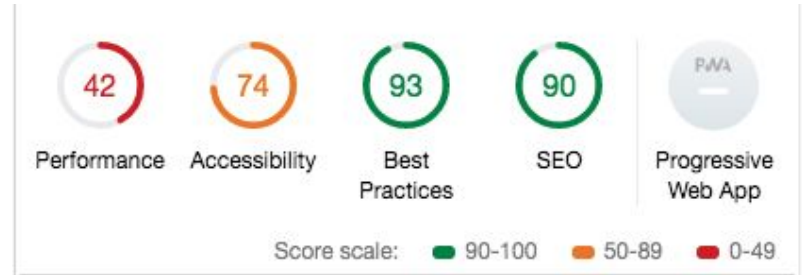

Score scale: ● 90-100 ● 50-89 ● 0-49

❖ Pushed up to github many times

❖ Testing functionality and multiple screen types

❖ Test Speech reader

❖ Run an Audit

❖ Tested on Andriod - Alcatel, Iphone 6 & 6 plus, ipad

❖ Chrome and Safari

❖ Had to many people for review and feedback

Social & Political Issues

❖ Societal issues could be with performance scale.

❖ So I would like to spend some time in the future trying to improve performance

❖ Also some time spent trying to further improve accessibility

❖ I don't think the content should cause societal or political issues
